## PROFILE

I am a teacher of General Studies Pre/Mains. I established a coaching Centre named "Civil Service Point" in 2016 at Raebareli, which is now closed due to lockdown.

I am a civil service aspirant from last 12 years. I did my preparation from Delhi and Prayagraj. During these years, I have written many UPSC and UPPSC mains, and I taught many students. Among them were many who got selected for different government jobs, like PCS, High court Review Officer, Youth Development Officer, Assistant Review Officer, etc. I had given mains from four subjects (Geography, Hindi Literature, Defence Studies, and Social Work). Now I want to continue my career as a General Studies Teacher.
