I am a highly passionate individual who thrives upon seeking new challenges through my career as a Data Science. My initial months of working in the industry push me to go further in discovering more things in it. Of course, I am motivated to join a group of seasoned and experienced professionals in the industry respectively.

### Personal Details

My name is Ashish kumar, and I live in the beautiful district Kangra in Himachal pradesh. Surrounded by the stunning beauty of nature, I find joy in various hobbies such as hiking, photography, and reading. We are a close-knit family of four. My mother is a dedicated housewife, and my father works in a private company. I have one younger brother. We share a close bond, often spending time together exploring the scenic landscapes of our homeland, which continuously fuels my passion for nature and adventure.
