Experience

Tution	2017 - 2019
During graduation, i used to teach Mathematics, Physics, English to lots of students from higher secondary classes as my part time job.	

Projects

Save Environment
Due to over-consumption of fossil fuels and less awareness, My group and I gave a presentation and made banners, pamphlets on "SAVING PLANET" for 7 Days in our university. For this movement, i was an INSTIGATOR. As a result of this, we got appreciation from our DEAN, VICE-CHANCELLOR, PROFESSOR'S AND STUDENTS.

Activities

- Watching documentary/sci-fi Movies
- Playing Football and Vollyball
