EXPERIENCE

I have performed b tech from NIT Srinagar and performed msc in mathematics from University of Kashmir and I have more than FOUR years of experience in Mathematics in intellectual coaching institute as teacher and author of making notes and assignments from **(8th to 12th)** and also in rise as teacher **(from 8th to 10th)**. I also worked in numerade video solution project in school and university level calculus and also was working as Subject Matter Expert in school level mathematics in Math Master. I am also presently working in Chegg as subject matter expert in advance mathematics and in vedantu as doubt expert in mathematics. I am a conscientious person who works hard and pays attention in detail. I am flexible, quick to pick up new skills and eager to learn from others. I also have a vast conceptual knowledge and vision of mathematics. I would be delighted to discuss the opportunities in mathematics with you.
