### PROFILE

---

I am a Quantitative Aptitude and Logical Reasoning Trainer helping students in their placements who are looking to go into MNCs and as well as for various competitive exams. I have also done orientations in various colleges to introduce my organization best.

My aim is to train them in “**HOW TO THINK**” rather than in pushing them into mugging. I, along with teaching my subjects, inspire and fill my students with enthusiasm to lead them with a great life on their own.
