Dear Sir/Mam,

Greetings of the day!

In response to a post in naukri.com regarding an opening for Job Application for the Post of "Business Development-cum-Franchise Support Manager" for Patna / Muzaffarpur, Bihar locations, I want to present my candidature for the same. I would be very glad and proud to work with such a renowned organization where not only I will earn but also I will be learning a lot about the respective field.

I have completed my Bachelor Of Engineering (Electronics and Communication Engineering) with 58.23 %, Senior Secondary Examination (10+2) with 63.4% and Secondary School Examination (10<sup>Th</sup>) with 81.8% with addition of this I also have proper IT Skills as I have done Diploma In Computer Application (D.C.A.) and got 80% marks, Certification in "Course on Computer Concepts (CCC) from National Institute of Electronics and Information Technology (NIELIT) with B+ grade.

I have good communication skills in Hindi, English and the local languages of this area/state i.e. Bajjika, Magahi, Bhojpuri as I am a permanent resident of Bihar. Also, being a localite I am very well familiar with the areas and different localities which will certain help me to establish rapport with the customers/clients/students which results into good business for the organization.

In addition of this, I too have prepared for government competitive examinations and cleared some of them but unfortunately I could not make into the finals.

So, not only as a Business Development Cum Franchise Support but also as a part time faculty or an SEO, I can contribute to this organization.

I assure you that I will prove myself an asset for the company/organization.

I present my candidature for the current opening.

I have uploaded my updated resume along with the scanned copy of my academic certificates. Kindly, go through and revert me back if you found me suitable for the job.

Thanks and Regards,

Mrinal Mohan
