About me

Highly creative and multi-talented Electronics Engineer with innovative experience in Electronics & Mechanical projects of Indian Railways. I have also worked in Logistics industry with Delhivery Logistics Company (Gurgaon) in line haul optimization and manage first mile operations. I am currently working in Indian Railway Carriage & Wagon Workshop at Jagadhri (Haryana). I want to diversify my skills & hence using my engineering skills in various fields. I am aiming to achieve a skill set in myself so that I become an asset to the organization I work for.
